

DAKOTA TESOL CONFERENCE

NOV. 15-16, 2018 | DoubleTree by Hilton, West Fargo

Teachers from North and South Dakota will gather to participate in continuing education sessions highlighting the latest research-based best practices in the field of English Learners. The populations served by EL teachers are diverse and always changing.

Every Dakota TESOL Conference attendee will receive a copy of the book "The 6 Principles", by the TESOL International Association Writing Team. This book is a core set of principles for the exemplary teaching and learning of English as a new language. They are universal guidelines drawn from decades of research in language pedagogy and language acquisition theory.
